

ISA Contribution to MDG-SDG

post 2015 development agenda

- **Social and Environmental Management Model**
- **ISA´s contribution for achieving the MDG**
- **From MDG´s to SDG´s**
- **ISA´s contribution for achieving the SDG**
- **Main results**

Regional Development

We contribute to Society, as a stakeholder, with value generation by managing matters that are thereby relevant, aligning expectations and commitments in the framework of respect and promoting Human Rights, as well as comprehensive and sustainable human development and fostering the common good.

Model

Model

Social corporate policy

We engage in responsible social investment focused on creating abilities in the communities so that they can manage their own development, and also on organizational strengthening through public-private partnerships, addressing the impacts caused by our activities and in keeping with our own financial and technological resources.

Programs

- Institutional Strengthening
- Contribution to reduce poverty
- Support to improvement of educational , investigation and development, quality, Human Rights.
- Support to climate change management

2010-2012 Enforcement of acceleration methodology for MDG in the most delayed municipalities of Cundinamarca, Cesar, Santander and Cauca; with UNDP

- Identification of a critical MDG per municipality
- Identification of interventions directed to the prioritized MDG
- Identification of bottlenecks of the prioritized MDG and its corresponding interventions
- Project formulation, management and implementation

Results

23 interventions, showing **82** bottlenecks

73 suggested solutions

6 formulated projects

3 co-financed with **COP 900.000.000**

650 beneficiary families: **3.000** beneficiaries

9 ideas or projects on education and health

Enforcement of SDG by ISA and INTERCOLOMBIA's management

Goal 1 End poverty in all its forms everywhere

Goal 2 End hunger, achieve food security and improved nutrition and promote sustainable agriculture

Goal 3 Ensure healthy lives and promote well-being for all at all ages

Goal 4 Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

Goal 5 Achieve gender equality and empower all women and girls

Goal 6 Ensure availability and sustainable management of water and sanitation for all

Goal 7 Ensure access to affordable, reliable, sustainable and modern energy for all

Goal 8 Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all

Goal 9 Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation

Goal 10 Reduce inequality within and among countries

Goal 11 Make cities and human settlements inclusive, safe, resilient and sustainable

Goal 12 Ensure sustainable consumption and production patterns

Goal 13 Take urgent action to combat climate change and its impacts

Goal 14 Conserve and sustainably use the oceans, seas and marine resources for sustainable development

Goal 15 Protect, restore and promote sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification, and halt and reverse land degradation and halt biodiversity loss

Goal 16 Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels

Goal 17 Strengthen the means of implementation and revitalize the global partnership for sustainable development

ISA's contribution for achieving the SDG

1. End poverty in all its forms everywhere

Target: Have programs that contribute to poverty reduction in

20 % of municipalities considered critical

Program: Contribution to reduce poverty
